

4.3.4. System messages

Information message	<input type="checkbox"/>
Information messages are displayed when a task or a flow is completed or the system provides relevant information. Acknowledge the message by pressing the 'Ok' button.	<input type="checkbox"/>
Dialog message	<input type="checkbox"/>
Dialog messages provide an opportunity to decide how to proceed the flow. For continuing, select the appropriate button and press it.	<input type="checkbox"/>
Confirmation message	<input type="checkbox"/>
Confirmation screens are displayed when the system needs confirmation about the triggered action or the entered data. For continuing, select the appropriate button and press it.	<input type="checkbox"/>
Error message	<input type="checkbox"/>
Error messages are displayed when an error occurred. Press the 'Ok' button to proceed.	<input type="checkbox"/>
